

Session 7. Reference management: Mendeley

Digital Skills for Research

March 1, 2022

Contents

1 Basic uses and setting up	1
2 Integration (word processor, browser, project)	1
3 Library work and maintenance	1
Task 7	1

- 1 Basic uses and setting up
- 2 Integration (word processor, browser, project)
- 3 Library work and maintenance

Task 7. Build a library!

- NB! Library increases all four primary skills by +2 for each visit :-)
- Set up Mendeley account, desktop, Word/Writer and browser plugins
- Tick Task 7 as done in the Achievement Tracker
