

Session 5. Presentations and posters

Digital Skills for Research

March 1, 2022

Contents

1	Beamer themes: layout and colour	1
2	Slides-specific commands	1
3	Producing posters and own .sty	1
Task 5		1

- 1 Beamer themes: layout and colour
- 2 Slides-specific commands
- 3 Producing posters and own .sty

Task 5. Make a presentation (about your favourite pastime)

- make sure you include some pictures and use various ways to arrange info (inc. columns, coloured boxes, lists, add logo to the title slide, References section)
- use overlays to show the content incrementally
- add a link to the pdf of your slides to Achievement Tracker
